February 1, 1966

\$16,200 GRANT WILL SUPPORT CONTINUED STUDY OF CRANE FLIES

An instructor in the Biological Sciences Department at Cal Poly's San Luis Obispo Campus will continue study of crane flies under the terms of a renewed \$16,200 grant awarded to the college by the National Science Foundation. C. Dennis Hynes, a member of the faculty since 1957, will proceed with his research program on "The Immature States of the Tribe Eriopterini," an insect commonly known as the crane fly under terms of the grant.

The renewed grant, which became effective Jan. 1 and will continue for two years, will be administered by the Cal Poly Foundation, a non-profit corporation which operates the college's auxiliary functions. The original grant, received over two years ago, was for \$12,000 and was administered under the same arrangements.

Dr. Hynes said recently that an intensive study of the insect is being conducted throughout California, but that travel will be primarily limited to summer months. During the regular academic year, he will continue his full-time teaching load on campus. During the summer, immature species are collected and brought back to campus, where student assistants rear the insects and prepare them for microscopic slides. Identification is then made by studying the slides.

Classification of this very extensive group of flies is in an unsatisfactory condition at the present and it is expected that study of the immature stages may provide a more accurate classification, according to Hynes. No identifying factors were available for the insect, of which there are a total of nearly 15,000 species, prior to the present research. Hynes said that Eriopterini, the varieties he is studying, are related to the rangeland crane fly, an insect that has done extensive damage to grain farms in the San Francisco Bay and Sierra Foothill areas of California.

Dean of the College Dale W. Andrews said the college felt particularly fortunate that NSF was interested in Hynes' project. "The experience being gained by Dr. Hynes, the students involved in the research work, and the knowledge acquired in this field will be invaluable," Dr. Andrews concluded.

MAINTENANCE DEPARTMENT STAFF MEMBER RECEIVES M A B CERTIFICATE

Collier J. Duncan, a member of the Maintenance Department's staff, has been awarded a Certificate of Commendation by the State Merit Award Board. His suggestion was to provide safety rails for seats on three-wheel Cushman motor scooters to prevent the driver from sliding off or possibly losing control of the vehicle when turning.

Duncan can be considered somewhat of an authority on such an eventuality. He received a broken arm in just such an accident last year.

AGRICULTURE STUDENTS SCHEDULE BIRTHDAY DINNER TO HONOR PRESIDENT MC PHEE

Students of the Agriculture Division will honor President Julian A. McPhee on occasion of his 70th birthday with a dinner. Scheduled for Monday (Feb. 7), the dinner, which has traditionally been an activity of the Agricultural Education Club, will take place beginning at 7:00 p.m., in the Elk's Club in San Luis Obispo. Since this year's event has been incorporated with activities of the college's 65th Anniversary, the Agriculture Council has joined the Ag Ed Club in its sponsorship.

Guest speaker for Monday evening's program will be President Walter Garcia of Modesto Junior College. Dr. Garcia is well known in vocational education circles, having written a number of articles on technical education, administrator training, international education, and agricultural education.

Tickets for the dinner meeting, whose theme will be "We Salute Our President," are priced at \$3.50 each and may be purchased from the Agricultural Education Department through end of this week.

WINTER QUARTER DEFENSIVE DRIVER CLASS SCHEDULED FOR FRIDAY

Friday (Feb. 4) afternoon is the time established for the only Defensive Driver Course to be offered on campus during the Winter Quarter, according to an announcement from the Business Management Division. Scheduled for Room 123 of the Agricultural Engineering Building, the class will begin at 3:30 p.m., and continue until about 6:00 p.m.

Supervisors are especially urged to make the necessary arrangements for both regular and student employees who may be required to operate state vehicles, to attend the class. Attendance at the session and completion of a driving test, which result in issuance of a completion certificate, are required of all persons operating state-owned cars, trucks, buses, etc.

TRUSTEES ACT ON VARIED MATTERS DURING JANUARY MEETING

Trustees of the California State Colleges took action on a variety of matters during their January meeting, which took place Jan. 19-20, in Los Angeles. In addition to its action on the state-wide Academic Senate's proposal to speed up conversion to year-round operation on the 18 campuses of the CSC system, which was reported in last week's edition of Staff Bulletin, other matters considered, included:

1. Approval of final loan agreements with the federal Housing and Home Finance Administration for the college union buildings at both San Diego State and San Jose State Colleges and for some 50 student residence and related buildings, at 11 of the state college campuses. Both Cal Poly's San Luis Obispo and Kellogg Campuses are involved in the project.
2. Approved continuance of policies and personnel provisions on year-round operation, first approved in December, 1964, for the 1966 summer quarters at California State College at Hayward and both Cal Poly campuses. Also approved were salary schedules reflecting salary adjustments for faculty working during the 1966 summer quarter at both Cal State at Hayward and the Cal Poly campuses.
3. Narrowed to three the number of sites being considered for location of the recently-authorized state college in Kern County.

DEADLINE FOR OUTSTANDING TEACHER NOMINATIONS IS FRIDAY

Friday (Feb. 4) is deadline for receipt of nominations of members of the campus faculty for the annual outstanding teacher awards, according to John L. Merriam, chairman of selection committee who last week issued a reminder to faculty, students, and alumni wishing to make nominations. Merriam, a member of the Agricultural Engineering Department's instructional staff, said:

"The committee responsible for choosing the outstanding teachers of the year wishes to remind everyone that the nominations for this honor close Friday, Feb. 4 (effectively Monday, Feb. 7). Forms (for use in nominating candidates) are available at each of the campus General Offices and the ASI (Associated Students, Inc.) Office. They should be sent through campus mail to John L. Merriam, Agricultural Engineering Department."

WHO . . . WHAT . . . WHEN . . . WHERE ? ? ?

Peter Molnar, Social Sciences, has been appointed faculty advisor to the Cal Poly Model United Nations delegation for 1965-66.

Carl Beck, executive secretary of Cal Poly Alumni Association, and Don McCaleb, public relations coordinator, were participants in joint regional meetings of the American Alumni Council and American College Public Relations Association, held Jan. 24-26, in San Francisco.

Donovan Cartwright, Edward Ernatt, and William Armentrout, all Education, attended the Political Activities Seminar sponsored by the California Central Coast Section of the California Teachers Association and the National Education Association, Jan. 15, at Carmel. Among the featured speakers was Cal Poly alumnus Ed Slevin, who is public relations counsel for the California Republican League and head of his own firm of public, campaign, and governmental relations specialists. Legislators participating in various sessions during the seminar included US Representative Burt L. Talcott; State Senators Fred S. Farr, Donald L. Grunsky, and Vernon L. Sturgeon; and Assemblymen Gordon H. Winton, and Winfield A. Shoemaker.

Robert A. Bentley, Mathematics, participated in the annual meeting of the American Philosophical Association, which took place in New York City, Dec. 27-29. Philosophers and teachers of philosophy from around the world were in attendance during the three-day gathering.

John L. Merriam, Agricultural Engineering, attended the annual meeting of the California Irrigation Institute in Fresno, Jan. 25-26. The education member of CII's Board of Directors, Merriam was moderator of a panel on "Manpower and Education for Water Management." Those taking part in the panel represented four types of employers in the water management field -- federal, state, irrigation district, and private industry.

MEMBER OF GENERAL SERVICES STAFF NAMED TO FILL S E R S VACANCY

Stanley B. Fowler, a member of the General Services Office staff has been elected to a four-year term on the Board of Administration of the State Employees Retirement System, according to an announcement from SERS. The election to fill the vacant seat on the retirement system's board was held last fall.

BOYCE WILL PRESENT BOOK REVIEW FEB. 8

The third and final volume of Bruce Catton's discussion of the Civil War, Never Call Retreat, will be reviewed by Col. William Boyce, now a member of the college-wide staff after having been head of the Military Science Department for three years, during the Books at High Noon program being planned to start at noon, next Tuesday (Feb. 8), in the Staff Dining Room.

Of the book, one reviewer says: "What makes the great epic so fresh and telling in Mr. Catton's prose is his power to judge these men as if they were our contemporaries; his scouring of all the memorabilia for human detail and for those quotations from letters that leap from the page; and, finally, the masterly way in which he describes the social revolution which the fighting released within the nation."

During today's (Feb. 1) program, Dr. Allen D. Miller, a member of the Mathematics Department's faculty, will review several readily-available paperback books on the New Math. Both starting time and the place are same as those listed above.

STAFF CLUB SCHEDULES DISCUSSION OF RACIAL STRIFE FOR LUNCHEON PROGRAM

A Santa Maria minister will describe his experiences as a volunteer with the Delta Ministry of the National Council of Churches in Mississippi during the Staff Club's regular luncheon meeting program Thursday (Feb. 3), beginning at noon, in the Staff Dining Room. The guest speaker, Rev. Claire A. Nesmith, pastor of the Methodist Church in Santa Maria, will illustrate his talk with slide photographs taken during his month-long stay in the McComb and Hattiesburg areas of the Southern state. Those two cities have been frequently mentioned in news reports of the past year as areas of considerable unrest and strife connected with civil rights and racial integration.

NOTES FROM THE KELLOGG AND VOORHIS CAMPUSES

Vice President Robert C. Kramer addressed students, faculty, and staff of the Kellogg Campus during a campus-wide convocation held Jan. 19. President Julian A. McPhee introduced Dr. Kramer during the program which was moved indoors after having been planned for presentation from the Dining Hall Terrace in the campus quad. . . . Members of Cal Poly's agriculture Advisory Committee and the Stanford Research Institute team making a study of California's agriculture and its future manpower needs met at the Kellogg Campus Jan. 25.

The Kellogg Campus student body was host to an expected 150 students from the San Luis Obispo Campus during All-Poly Weekend, held last Friday, Saturday, and Sunday (Jan. 28-30). Planned during the annual event were campus tours, an address by President Julian A. McPhee, several social activities, and a concert by folksinger Glenn Yarbrough. . . . John Francis, assistant manager for the Cal Poly Foundation with offices at the Kellogg Campus, delivered the keynote address at the recent California Association of College and University Auxiliary Managers' annual meeting in Sacramento. His topic was "Taxation -- The Pressure Continues." . . . Walter Wells, a member of the Language Arts Department faculty at the Kellogg Campus recently signed contracts with the Wadsworth Publishing Company to write two books in the area of professional communication. The first is tentatively titled Effective Letters and Memoranda in Business and the second, Reports in Business, Government and Industry.

CAL POLY WOMEN'S CLUB NEWS

Mardi Gras - Many surprise events and a host of other attractions ranging from a fortune teller of "great talent", a marionette show, and gourmet foods to demonstrations of flower arranging and cake decorating are scheduled during the Arts and Crafts Mardi Gras scheduled for Saturday (Feb. 5) from 10:00 a.m. to 9:00 p.m., in the Veterans Memorial Building, San Luis Obispo.

Sponsored by the Cal Poly Women's Club to benefit its student services projects, all members of the college faculty and staff are urged to attend with their families and to invite friends and neighbors. Tickets for adults will be priced at \$.75 each, with children 16 years of age and under being admitted free when with a parent. Admission price for unaccompanied children will be \$.50 each.

In addition to the events already listed, features being planned for the Mardi Gras also include demonstrations of pottery making, weaving, and paper flower making, as well as booths selling gourmet foods, paintings and other hand-crafted art objects, center pieces, valentines and other useful items for the home and family. Husbands of club members will man the hot dog stand and Antoin's Gift and Coffee Shoppe will serve cake and coffee.

At 8:00 p.m., a secret King and Queen of the Mardi Gras will be crowned, and members of the club's Ways and Means Committee, which is sponsoring the event, are urging those planning to attend to come in costume in order to more fully enjoy the happy carefree atmosphere.

Tickets for the Mardi Gras will be sold Thursday (Feb. 3) evening in front of Corcoran's restaurant in downtown San Luis Obispo, where Marty Baum and his Dixieland "Hot Shots" will entertain from 7:00 to 9:00 p.m. The tickets, in addition to being available at the door, Saturday evening, are also on advance sale at Riley's downtown, City Pharmacy, Brown's Music Store, Graham's, all in downtown San Luis Obispo, and at Hurley's Pharmacy in the College Square, San Luis Obispo. They may also be purchased in advance at El Corral campus store.

Persons having white elephants, art and crafts objects, paintings, books, toys, records, plastic flowers, or jewelry they wish to contribute for the Mardi Gras are invited to contact any member of the Ways and Means Committee or call either Mrs. Nelson Smith (544-0613) or Mrs. Bert Fellows (543-2426).

Bridge Section - Monday (Feb. 7) evening is date for the next meeting of the Bridge Section of the Cal Poly Women's Club. Announced for 8:00 p.m., it will take place in Room 129 of the Library Building on campus.

Walking Group - A walk up to the tree line of San Luis Obispo Mountain is programmed for the next gathering of the CPWC's Walking Group. Those planning to take part are invited to meet at 9:00 a.m., next Tuesday (Feb. 8), at the home of Mrs. Loren Nicholson, 103 La Entrada, San Luis Obispo.

Travel Section - Mrs. Harry West will be the speaker when members of the Women's Club's Travel Section gather Feb. 9 for their next meeting. Scheduled for the home of Mrs. William Kirkpatrick, 267 Luneta, San Luis Obispo, the program will begin at 9:30 a.m. "A Most Enjoyable Christmas Holiday in Mexico" will be Mrs. West's topic.

"1901 - 1966 - Foundation for the Future"

Cal Poly's 65th Anniversary - January-June, 1966

CAMPUS STUDENTS SELECTED FOR PEOPLE-TO-PEOPLE TOUR OF EUROPE

Eight students from the San Luis Obispo Campus have been selected members of a delegation of Rural California Youth who will spend part of the coming summer on an overseas tour. Scheduled for 24 days, the People-to-People Goodwill Mission through Eastern and Western Europe, will begin in San Francisco, June 20.

Purpose of the mission is to provide California's farm youth an opportunity to carry a message of goodwill to farm youth of Europe, especially in Communist-dominated areas. Students on the tour will witness and inspect typical agricultural operations, working conditions, and methods, as well as learn something about the conditions that exist on both Eastern and Western European farms. They will participate in numerous meetings and interviews with United States and foreign government representatives during the tour.

Members of the student body named to the 40-student delegation are Bob Laughrin, a freshman farm management major; Harry Martin, a sophomore majoring in crops; Wayne Parks, a freshman agricultural engineering major; Newton Roberts, a freshman agricultural business management major; Ralph Sartori, a freshman majoring in animal husbandry; James Strehle, a freshman agricultural engineering major; William Senter, a freshman crops major; and John Tracy, a freshman farm management major.

Arranged and designed to implement the aims and purposes of the United States Cultural Visitation Exchange Program and the People-to-People Foundation, the tour will be headed by Mr. and Mrs. Harvey Brockmeyer of Bakersfield. Brockmeyer is director of the Department of Agriculture at Bakersfield High School. The delegation will travel in Scotland, England, Switzerland, Denmark, East and West Berlin, and the satellite countries of Poland and Czechoslovakia.

CAGE, WRESTLING TEAMS BEGIN ROAD TRIPS; SPRING SPORTS SCHEDULE OPENS

While the Mustang varsity basketball and wrestling teams are on the road for contests this weekend, another of the spring sports teams is at home to open its 1966 campaign and other teams are also on the road.

With head coach Ed Jorgensen in the hospital for a brief stay as a result of surgery earlier this week, assistant coach Stuart Chestnut will lead the cage varsity in its two-day invasion of Las Vegas, Nev., for competition in a tournament hosted by Nevada Southern University. The Mustangs are scheduled to encounter the host team in an 8:45 p.m. game Friday (Feb. 4) evening and College of Southern Utah in a 7:00 p.m. contest, Saturday (Feb. 5).

Also on the road this week will be Coach Vaughan Hitchcock's mat team, which opens a three-match invasion of Oregon at 8:00 p.m., Thursday (Feb. 3) against Portland State College. Before returning home, the Mustang grapplers will also battle University of Oregon, Friday night at 8:00 p.m., and Oregon State University, at 3:00 p.m., Saturday.

Opening its 1966 season this week is Coach Chuck Hanks' Mustang golf club, which will host Fresno State College's greensmen in a match slated for 12:30 p.m., Friday, at San Luis Obispo Country Club. Also scheduled during the week are a freshman basketball contest between the Cal Poly Colts and Hartnell College at 8:00 p.m., tomorrow night (Wednesday, Feb. 2), in Salinas; competition by the swimming team, in a relay meet at University of California at Santa Barbara, all day Friday and Saturday, in Goleta; and entry of the University of California at Los Angeles Invitational Gymnastics Meet by the Mustangs, Saturday evening.

PLACEMENT CALENDAR -- INTERVIEWS ON CAMPUS THIS WEEK

GENERAL DYNAMICS. Representatives of General Dynamics will interview seniors in aero, EE, EL, and ME. (2/1)

COMBUSTION ENGINEERING. Oscar C. Harper, sales engineer, will interview seniors in architecture (structural), EE, IE, ME, and WM for positions in sales engineering. (2/1)

ALLIS-CHALMERS MANUFACTURING CO. J. A. Longley and Wayne Schneider will interview seniors in architecture (structural), agricultural engineering, business administration, chemistry, EE, EL, IE, ME, math, physics, TA, and WM. (2/1 - 2/2)

LENKURT ELECTRIC COMPANY. Donald H. McGuire, employment manager, will interview seniors in EE and EL. The engineering classifications include: product planning, product development, components, mechanical, industrial, production, applications, sales, engineering writer, and commercial products engineer. (2/1 - 2/2)

BETHLEHEM STEEL CORP. J. R. Rhodes, assistant management's representative, Los Angeles Plant, will interview seniors in ME, WM, EE, IE, architecture (structural), chemistry, TA, physics, math, and business administration for the company's 1966 Loop Course, a training program which leads to careers in research, steel, plant operations, sales, mining, accounting, and ship building. (2/1 - 2/2)

THE RALPH M. PARSONS COMPANY. Harold Futtrup, chief structural engineer; Warren Parsons, assistant manager, Facility Engineering Department; and Grover Rains, chief design engineer, will interview seniors in AC and R, architecture (structural), EE, and ME. (2/1 - 2/2)

BENDIX CORPORATION, Bendix-Pacific Division. George N. Morzov, assistant employment manager, will interview seniors in EL, EE, ME, and physics. Opportunities exist in transistor circuit design, microwave design, antenna design, packaging and miniaturization of electronic components, servo mechanisms, electronic and hydraulic, mechanical design and equipment enclosures, systems analysis and operations research, reliability, electro-acoustic transducers, design of hydraulic valves, actuators, high response electro-hydraulic and electro-pneumatic servovalves and systems, and design of electro-mechanical components including small motors, solenoid actuators, commutators and precision switching devices. (2/1 - 2/2)

REX CHAINBELT, INC. S. Y. Warner, western regional manager, will interview seniors in TA, IE, ME, agricultural engineering, architecture (structural), and W and M who are particularly interested in sales engineering positions. (2/2 - 2/3)

MOTOROLA, INC., Military Electronics Division, Phoenix, Ariz. Ray C. Hubbell, professional personnel representative, will interview seniors in EE, EL, and ME. (2/2)

S. S. KRESGE COMPANY. W. E. Warburton, Western Region personnel manager, will interview all seniors interested in retail management trainee positions. (2/2)

BOUNACCORSI AND ASSOCIATES, Consulting Engineers. Herbert Seeley, secretary-treasurer and personnel director, will interview seniors in AC and R, EE, and ME. (2/3)

WESTERN MICROWAVE LABS, Santa Clara. H. D. Tenney, vice president, and Cliff Ditzen, section head, will interview seniors in EL. (2/3)

(Continued on Next Page)

PLACEMENT CALENDAR (Continued)

CARNATION COMPANY. Fred H. Barge, college relations administrator, will interview seniors in ABM, business administration, DM, IE, and ME. (2/3 - 2/4)

OWENS-CORNING FIBERGLAS CORPORATION. Paul E. Schaefer, employment supervisor, and C. J. Szukalski, plant engineer, will interview seniors in AC and R, business administration, EE, IE, and ME. Positions available include sales trainee in marketing, staff engineer in general engineering, plant trainee in manufacturing, and administrative trainee in division administration. (2/3 - 2/4)

DOUGLAS AIRCRAFT COMPANY. Representatives from the Aircraft Division and from the Missiles and Space Division will interview seniors in aero, EE, EL, math, ME, and physics for assignments in pure and applied research, analysis, design, development, laboratory and flight testing of aircraft, missiles, space vehicles and their associated systems, and related business activities. (2/3 - 2/4)

U.S. STEEL CORPORATION, Pittsburg, Calif. Company representatives will interview seniors in IE, ME, architecture (structural), EE, and W and M for positions in engineering, maintenance, industrial engineering, production planning, line operating management, operations, research, and metallurgy. (2/4)

ITT FEDERAL LABORATORIES. Henry P. Feldman, employment manager, will interview seniors in EE, EL, IE, ME, and physics. (2/4)

CARRIER AIR CONDITIONING. Edgar P. Glass, employment manager, will interview seniors in all engineering majors. (2/4)

CENTRAL HIGH SCHOOL DISTRICT #2, Franklin Square, N.Y. John W. Nicoll, principal, will interview teaching candidates for secondary positions (grades 7-12). The student body of Central High School District #2 is comprised of 12,166 students in grades 7-12. (2/7)

STOUFFER FOODS CORPORATION. Joseph A. Day, manager, Restaurant Division, will interview seniors in food proc, home ec, and business administration for restaurant management positions. (2/7)

MILPITAS ELEMENTARY SCHOOL DISTRICT. Pearl K. Zankke, coordinator of personnel, will interview teaching candidates for elementary positions (kindergarten through eighth). (2/7)

U.S. NAVY. Lt. F. J. Skinner, USN; Lt. C. L. Clinton, USN; and Lt/Jg F. M. Fellrath, USN; the Officer Programs Information Team, will be available in the Snack Bar area of the Dining Hall to provide information on the opportunities available to college graduates as commissioned officers in the US Naval Reserve. (2/7 - 2/9)

THE BOEING COMPANY. Ted Johnston, chief, college relations; Tony Sandona, senior personnel supervisor; and Al Gowans, personnel officer, Vandenberg Air Force Base, will interview seniors in aero, EE, EL, IE, ME, physics, math, and WM, for opportunities in the following areas: research (fundamental and applied) development, design, test, production and service in areas such as aerodynamics, structures, mechanical and electrical systems, instrumentation, tooling, materials and processes, and others. (2/7 - 2/8)

(Continued on Next Page)

PLACEMENT CALENDAR (Continued)

RATH PACKING COMPANY. Norman C. Ludwick, sales engineer, San Francisco Branch, will interview seniors in business administration and ABM for Marketing Development and Production Management Training programs. (2/8)

DEPARTMENT OF WATER AND POWER, Los Angeles. Donald M. Hawkins, recruitment and placement officer, and Richard C. Sandusky, electrical engineer, will interview seniors in architecture (structural), EE, and ME for engineering assistant positions in atomic power plant engineering. (2/8)

SUMMER: Juniors in architecture (structural), EE, and ME and EE instructors may interview for summer positions with the Department of Water and Power.

UNITED AIR LINES. John J. Russell, regional employment supervisor, will interview seniors in aero, EE, EL, IE, and ME. (2/8)

W. T. GRANT CO. Leonard Black, field recruiter, will interview seniors in all majors interested in the company's management training program. (2/8)

AMERICAN AIR FILTER. E. A. Smith, personnel manager, Defense Products Group, and C. M. Davis, training supervisor, will interview seniors in AC and R, EE, IE, ME, and architecture (structural) for positions in design, test, research, and development in St. Louis, Mo.; and for sales opportunities on the West Coast and other locations throughout the country. (2/8)

DEADLINE FOR ARTICLES APPEARING IN NEXT WEEK'S STAFF BULLETIN IS FRIDAY NOON

CAMPUS CALENDAR -- WEEK OF FEBRUARY 1-8, 1966

Tuesday, February 1

12:00 Noon	Books at High Noon Luncheon Meeting	S D R
2:00 p.m.	Cal Poly Women's Club - Sewing Section	San Luis Obispo*

Thursday, February 3

8:15 a.m.	Applied Arts Division Committee Meeting	Admin. 213-A
9:00 a.m.	Agriculture Division Committee Meeting	Ag 138
12:00 Noon	Staff Club Luncheon Meeting	S D R
8:00 p.m.	Varsity Wrestling vs. Portland State College	Portland, Ore.

Friday, February 4

12:30 p.m.	Varsity Golf vs. Fresno State College	SLO Country Club
8:00 p.m.	Varsity Wrestling vs. University of Oregon	Eugene, Ore.
8:30 p.m.	Varsity Basketball - Nevada Southern University Invitational Tournament	Las Vegas, Nev.

Saturday, February 5

10:00 a.m. - 9:00 p.m.	Cal Poly Women's Club: Mardi Gras	San Luis Obispo*
7:30 p.m.	Varsity Basketball - Nevada Southern University Invitational Tournament	Las Vegas, Nev.
3:00 p.m.	Varsity Wrestling vs. Oregon State University	Corvallis, Ore.

Monday, February 7

2:00 p.m.	Campus Executive Council Meeting	Admin. 301
8:00 p.m.	Cal Poly Women's Club: Bridge Section	Lib. 129

Tuesday, February 8

8:15 a.m.	Applied Sciences Division Committee Meeting	Admin. 301
9:00 a.m.	Cal Poly Women's Club: Walking Group	San Luis Obispo*
10:00 a.m.	Engineering Division Committee Meeting	GA 101
12:00 Noon	Books at High Noon Luncheon Meeting	S D R

* See article for further information.
